

Sample Format Table 3 for New (Type 1) Competing RISE Grant Applications

Table 3 – Institutional Faculty Data

Reporting Period: (current year)

Total Tenure-Track Faculty	Institution-wide	RISE-relevant Departments				
		Biology Number (%)	Chemistry Number (%)	Physics Number (%)	Other: __ Number (%)	TOTALS (%)
A. Total						
B. Total UR*						
C. Total Non-UR*						
D. Faculty participating in externally funded research						

Instructions: For the current year only, provide the number and percent of tenure-track faculty (total, UR*, and Non-UR*) in biomedical/behavioral related departments. Of these totals provide the number and percent of faculty who are engaged in externally funded research. Examples of participating departments are shown; modify and/or include others as appropriate and that match the departments whose data was provided in Table 2. Note: UR* is defined as members of any of the following groups: African Americans, Hispanic Americans, American Indians, and Natives of US Pacific Islands.
