Instructions: In a table (Table 2) provide data (average number per year) on the enrollment and graduation rate of master's and Ph.D. students (as applicable) for the previous four years. Enter data for the overall institution and for the IMSD-participating departments.

¹ Include Alaska Natives and natives of the U.S. Pacific Islands.

² Include and identify any other categories that the institutional policy has determined to be underrepresented in biomedical or behavioral research fields.

³ Identify in a footnote to this table all the major departments that are expected to participate in the proposed IMSD program.
